

Item no.: 362503 Vision Picture Frame, 13 x 18 cm, landscape

from 35,28 EUR

Item no.: 362503 shipping weight: 1.60 kg Manufacturer: Philippi Design

Product Description

VISION is the first photo frame made entirely of glass. And it is as simple as it is ingenious. Photos and memories can be slid between the two panes. If you wish, you can also double them so that you can see one picture from the front and one from the back. Caution: Not suitable for children under 36 months. Not suitable for children under 36 months.

- Material: glassWeight: 1,71 kg
