Product Description

Sweeping curves

Stylish, elegant and above all extremely original: this is how the SWIRL napkin rings present themselves with their curved design. The shape, which winds around itself once, is so unique that SWIRL has been considered a real classic since 2004. And it transcends generations, because these napkin rings really do embellish every table - regardless of style and occasion.

- The perfect holder for high-quality cloth napkins and a must-have for any elegantly set table
- SWIRL's timeless design comes as a set of 4 in a beautiful packaging that is sure to inspire for itself or as a gift
- The highly polished nickel finish makes SWIRL a stylish, elegant and original eye-catcher. In addition, the SWIRL napkin rings are particularly scratch-resistant, easy to clean and do not require extensive care
- Material: nickel, highly polished, 4 pcs., Ø 6 cm
- Weight: 381 g
