Product Description

"Colorful giant" gift box

Everything you need for smoking is in here:

- 5 incense cones "Colorful Giants", size XL
- 1 pack of matches
- 1 brass bowl (similar to picture)

We have put together various Christmas fragrances for you in our colorful mix. You can enjoy these scent creations as you wish.

During the manufacture of the incense candle, a mass is created from charcoal, potato flour as a binding agent, sandalwood, red beech flour and some other ingredients for easy flammability, to which only the fragrance is added. In addition to the "royal powder" frankincense, other substances from distant, exotic countries are added to the candle mash, such as amber, lavender, mastic or balsam of Peru. The candles are then shaped, dried and packaged from this raw pulp.
