Product Description

wall clock "Super Station Stripe", stainless steel, 55 cm

The NeXtime "Super Station" is a large wall clock made of a stainless steel case with a brushed finish and a white dial. The hour indication is marked with black stripes. The large red second hand makes this clock unique. The large size of this clock makes it a real eye-catcher. It runs on 1 AA battery (not included).

- Material: Stainless Steel
- Color: White
- Clock type: Wall clock
- Size: Ø55cm
- Battery Type: 1x D battery, not included
- Movement: Silent movement. So no ticking sound
