Product Description

The Marienburg Advent calendar consists of two illustrations by the Leipzig illustrator Natalia Grebenjuk - one is the popular exterior view of Marienburg Castle (dimensions closed 35 x 25 cm), which remains unchanged as the cover page, and when you open the calendar, an atmospheric view of the inner courtyard of the castle with the Advent calendar doors in "Change me!" style and a poem. The Advent calendar is based on the fairy tale about the dwarves in the Marienberge. It is a "change me" motif: with each opened door a new picture composition emerges piece by piece. Let yourself be surprised! Caution! Not suitable for children under 36 months.

- Dimensions for hanging the inner part 35 x 50 cm
