Product Description

ORCHID Jewelry Stand, grey

Inspired by the beautiful orchid flower, this unique jewelry stand makes an eye-catching statement while organizing your jewelry and keeping it in one place. Orchid stores and displays all of your favorite jewelry pieces with twelve hooks and a leaf-shaped dish, speeding the getting-reading process. Perfect to place on your dresser, vanity or nightstand. Orchid is a metal jewelry stand and storage dish with 12 hooks for hanging items like necklaces and bracelets, its leaf-shaped dish is great for smaller pieces like rings and earrings. This jewelry tree makes good use of vertical space to store jewelry, especially necklaces, which can sometimes be challenging to store, since they are long; it measures 23 x 14 x 38 cm.

Umbra is an international design company known for original, modern, cool, functional and affordable products for home & living.
