Product Description

Flex shower shelf, black

Umbra Flex is a shower tray, shower shelf, shower caddy and shower valet.

With the functional Flex Shower Caddy by Umbra you can store all your shower utensils in one place. Flex is designed to take up as little space as possible in the shower, yet it still has room for larger bottle sizes.

Flex Shower Caddy has a rigid plastic frame and flexible silicone straps to hold your shower essentials together. Flex also features two extra-wide plastic shelves that provide space for shampoo, conditioner and shower gel, while the four hooks are perfect for storing shower sponges and razors. Use the four openings in the shelves to store your bottles upside down so they dispense shower gel or shampoo faster. Don't worry about waterlogging, Flex has an integrated drainage system that prevents mould and odour build-up.

Flex can be mounted either above the shower head or on the shower rail. Flex measures 41 x 61 x 10 cm.

- Material: polypropylene
- Weight: 0,64 kg
- Colour: black
- Dimensions: 31 x 9 x 65 cm
