🗎 Product Description

The SERGIO key fob made from genuine leather will win everyone's hearts: the silver-coloured edging contrasts with the black braided loop and at the same time gives the impression of a classic gentleman when it comes to guarding your keys. Unobtrusive, simple and with just the right amount of sophistication, it flatters every hand and can even be felt in deep pockets.

Technical data- Material: leather, braided, nickel, highly polished- Weight: 94 g- Length: 13 cm- Width: 3 cm
