

Item no.: 362488

164027 - Stand wine holder

from **44,25 EUR**

Item no.: 362488
shipping weight: 0.40 kg
Manufacturer: Philippi Design

Product Description

Immediately after opening, Cabernet Sauvignon or Pinot Noir are presented extremely cool on the polished stainless steel wine holder despite the prevailing room temperature. At the same time, the favourite wines are given more surface area to breathe in an inclined position. Of course, the cork for tasting is also a must, as it has its own storage space. There's only one thing left to do: pour!

Technical data- Material: mirror-polished stainless steel- Weight: 710 g- Length: 29 cm- Width: 15 cm- Height: 6 cm
