Product Description

The high-quality BBQ set, consisting of tongs, turner and fork, raises even the funkiest barbecue equipment to a higher level. The long walnut handles can withstand a strong hand, while the brushed stainless steel puts dry-aged Wagyu beef in pole position on the grill. The timeless design by Andreas Ostwald passes every lifestyle test with flying colours, even after 20 years. This automatically qualifies the BRICK family as a birthday present for men with beef or as an adequate souvenir for Father's Day. Don't forget to fire it up!
