Product Description

Startled and frozen, the fawn stands there. Its eyes are turned towards the noise and it is ready to flee at any moment. In the next moment, it has disappeared into the undergrowth. With the craft kits from LIEBESREH, you can create large and impressive paper sculptures without any special knowledge. The cutting out, folding and creasing of the labelled components is clearly indicated by clear markings and is part of the relaxed crafting fun. With the help of our detailed step-by-step instructions, you then glue the individual parts together and will be amazed at how an impressive three-dimensional figure develops in your hands.
