Product Description

Freshly hatched, the little turtle babies crawl towards the sea. Or have they already made it into the water and are floating in the endless expanse of the ocean? Whether you place them on a shelf or hang them in the room - they will feel right at home with you. With the craft kits from LIEBESREH, you can create large and impressive paper sculptures without any special skills. Simply order online and you will receive the kit for your paper sculpture in no time at all. The cutting out, folding and creasing of the labelled components is clearly marked and is part of the relaxed crafting fun. With the help of our detailed step-by-step instructions, you can then glue the individual parts together and will be amazed at how an impressive three-dimensional figure develops in your hands.
