Product Description

Turn your home into a bullring. The bull stands proud and powerful in the centre. All eyes are on the bull, he is ready to lower his head and take the torero on his horns. However, if you are interested in the ups and downs of the stock market, the bull in combination with our bear will be an excellent monument to your passion. With the craft kits from LIEBESREH, you can create large and impressive paper sculptures without any special knowledge. The cutting out, folding and creasing of the labelled components is clearly indicated by clear markings and is part of the relaxed crafting fun. With the help of our detailed step-by-step instructions, you then glue the individual parts together and will be amazed at how an impressive three-dimensional figure develops in your hands.
