Product Description

It creeps up silently. Crouching low, the largest feline predator on earth gets closer and closer to its prey. But it never loses sight of its target. The tiger is just waiting for the right opportunity to strike. With the craft kits from LIEBESREH, you can create large and impressive paper sculptures without any special knowledge. The cutting out, folding and creasing of the labelled components is clearly instructed with clear markings and is part of the relaxed crafting fun. With the help of our detailed step-by-step instructions, you then glue the individual parts together and will be amazed at how an impressive three-dimensional figure develops in your hands.
