Product Description

OHH! AHH! MODA. The magic of the frame consists of an edge design that is somehow slanted in one way or another. Once you have MODA in your field of vision, you can't get away from it. Not a chance! High-gloss nickel with an elegant, velvety back including shiny metal fasteners already make it a classic. The fact that the frame is suitable for both standing and hanging, either in portrait or landscape format, is more of a matter of course. PRACTICAL For standing or hanging, in portrait or landscape format, everything is possible. VERSATILE Frame series in three different sizes and format ratios (wider/narrower). MAGICAL The frame whose edge design is somehow slanted.
