Product Description

GLASS HEROES"JAN and JONAS, don't just stand there!" - Stop, stop, they're allowed to! In fact, they should. As a creative eye-catcher to match any modern interior, at home or in the office. Quite large, quite heavy, in two versions, crystal clear and transparent or chrome-plated in combination with matt black, with a built-in wow effect. The flawless crystal glass figures can be engraved if required and can therefore also be used as a trophy (e.g. man of the year, employee of the month, hero of the workplace). Motivation can be so beautiful.AT HOME OR IN THE OFFICE"JAN and JONAS, don't stand there like that!" - Stop, stop, they're allowed to! In fact, they should. As a creative eye-catcher to match any modern interiorWOW-EFFECTPretty big, pretty heavy, really makes an impressionFUN FACTThe figurines made of flawless crystal glass can be engraved if required and can therefore also be used as a trophy (e.g. man of the year, employee of the month, hero of the workplace)
