Product Description

Weather Station "Sunflower", Plastic, Black, Ø 50.8 cm

The NeXtime "Sunflower" is a big plastic garden clock that will also show the temperature and the humidity. Especially made for outside! The use of extra rubber rings to protect the water from reaching the delicate parts of the clock is making this clock special and weatherproof. If you want to be up to date in your garden, this is the clock for you! Time, temperature and humidity in one device. The clock is robust and from plastic and with Ø 50.8 cm it is a real eye catcher. The case is in black color and the dial is white and has a stripe index. Because of the black hands, the clock and the meters are easy to read. The clock runs on 1 AA battery (not included).
