Product Description

Wall Clock "Modern Gear Clock", Plastic, White, 36 cm

The NeXtime "Modern Gear Clock" (36 cm) gives a twist on the classic design through the combination of modern red hands, a clear index and real moving gears. Don't like the movement? No problem, the moving gears are separately controlled and can be easily switched off. This wall clock is available in black or white and works on 3x AA batteries (not included).

- Material: Plastic
- Color: White
- Clock type: Wall clock
- Size: 36 cm
