Product Description

Jewellery case Eva, Nordic Style

With this collection, you get pure nature into your home. Models of NORDIC STYLE collection appear very noble and natural. Available in mahogany and nordic oak grain. The design combines wood-look and vegan leather in a very unique manner.

The production of our jewellery cases, watch boxes and cases requires highest craftsmanship. It takes many years until a box maker masters these skills. In our manufactory, we maintain this craft since 1846 and have developed it permanently. This knowledge is incorporated in the production, which takes place until today almost exclusively by hand.
