Product Description

READY FOR TAKE-OFF This unique key ring literally screams wanderlust, holidays, city trips, adventure and relaxation. The ultimate figurehead for chief pilots, frequent flyers and fly-overs is even cooler than "catch me if you can". Thanks to the integrated LED in the nose of the cuddly jet, FLYING WILLY unerringly lands the keys in the lock even in complete darkness. In case of doubt, even without a pilot's licence. **READY FOR TAKE-OFF** The ultimate figurehead for chief pilots, frequent flyers and over-sailors **CHECKING IN** The unique key ring literally screams wanderlust, holidays, city trips, adventure and relaxation **TAKING OFF** The cuddly jet, polished to a mirror finish, is even cooler than catch me if you can
