Product Description

WHAT IS CARTONIC?Cartonic 3D puzzles are the easy and environmentally friendly way to create a real work of art from cardboard. It's a kit of pre-cut cardboard discs, as simple as 1-2-3. During the making process, you literally witness it being created layer by layer. When you're done, you can make your artwork even more unique by painting it or placing it in your home as is. But we should warn you that you might need another one as soon as you've finished assembling it, because the process is kind of addictive.WHAT'S SO CUTE?After being assembled and brought to life by scientist Victor Frankenstein, this creature attempts to rejoin society. Invented by Mary Shelley in 1818, the story of a man-made creature has seen dozens of versions in books and on the silver screen. The character has even been played by Robert De Niro. The more modern science advances, the more we believe the story could be true. Now it's your turn to gather the pieces and find out if he's a monster. Are you ready to take a look inside his mysterious head?Quantity:- 115 piecesComposite puzzle size:- 18x12.5x14.7 cm and 7.02x4.88x5.73 inHow much time do you need?- 30 to 60 minutes, depending on the number of pieces and whether you want to do it as quickly as possible to enjoy the process.
