Product Description

WHAT IS CARTONIC?Cartonic 3D puzzles are the easy and eco way to create a genuine piece of cardboard art. It's a pre-cut kit of cardboard slices, as simple as 1-2-3. During creation, you will literally witness its formation layer by layer. Once you're done, you can make your artwork even more unique by painting it or enjoying it as is in your home decor. But we should warn that you might need a new one right after the assembly because the process is kind of addictive.WHAT'S SO CULT?We all sometimes want to show the world that we're not in the mood for whatever it is. Actually, this meaning of the middle finger has been known since the times of ancient Athens. Over the centuries, many famous politicians, sportsmen, and artists expressed their anger or disrespect without saying a word. It's hard to say whose finger was the most famous in history but you can make one of your own and claim this is a protest against all evil.Details quantity: 84 pcsAssembled puzzle size: 18x10,3x10,4 cm and 7,02x4,02x4,06 inHow much time it takes?From 30 to 60 minutes depending on the number of details and your willing to do it ASAP of to enjoy the proccess.
