Product Description

Cartonic 3D puzzles are the easy and eco way to create a genuine piece of cardboard art. It's a pre-cut kit of cardboard slices, as simple as 1-2-3. During creation, you will literally witness its formation layer by layer. Once you're done, you can make your artwork even more unique by painting it or enjoying it as is in your home decor. But we should warn that you might need a new one right after the assembly because the process is kind of addictive. WHAT'S SO CULT? The Spanish king of surrealism of the 20th century. He was the one to create Chupa Chup's famous logo, the lobster telephone, and the melting down clock. As Dali said, he was creating arts that may cause an "overdose with satisfaction". His mustache alone became almost as famous as the owner. Will you dare to look inside the maestro's head? - Details quantity: 140 pcs- Assembled puzzle size: 18x14,5x12,1 cm and 7,02x5,66x4,72 in- How much time it takes? From 30 to 60 minutes depending on the number of details and your willing to do it ASAP or to enjoy the process.
