Product Description

THE ELEGANT WAY TO SERVE ICE CUBES The sun is shining, the guests are here, the drinks are cool and the captivatingly pretty ice bucket from the COLLINI bar range is constantly replenished with cool composure. The double-walled stainless steel body reliably keeps the cubes at the right temperature for up to 8 hours, while the accompanying ice tongs ensure hygienic and easy access. Always at the ready and hard to miss, as its exterior is coated with a layer of lacquer that stands out elegantly from the rest of the cooler monotony in contrast to the highly polished lid. - Material: lacquered stainless steel - Weight: 800 g - Length: 15 cm - Width: 15 cm - Height: 18 cm
