### Product Description

**ADJUSTABLE STANDING LIGHT WITH CHARACTER**Yes, even the established luminaire manufacturers of this world are making big eyes: a candle holder with function that outshines many a design-award-winning floor lamp. Wattage figures don't matter here, the feel-good factor is what counts. And on a scale of 1 to 10, that factor is 12, with the occasional flicker. Minimalist design, height-adjustable, maximum ease of use: fire = on, blow = off. It has charm, that's for sure.- Material: powder-coated steel - borosilicate glass- Weight: 1.50 kg- Length: 15 cm- Width: 15 cm- Height: 50 cm
