from **26,31 EUR**

Item no.: 386844
shipping weight: 0.30 kg
Manufacturer: Philippi Design

Product Description

SAILING THROUGH THE NIGHT WITHOUT SINKING As soon as dusk approaches, the starting signal is given for REGATTA, the tea light holder in three different sizes. Made of stainless steel, it stands unsinkably secure on the table or windowsill, its weight reliably preventing it from capsizing. When the yachts set sail individually or as a whole fleet, the candlelight is reflected on the silhouette of the highly polished sails and fills the room with a maritime aura. A lighthouse gift for professional and leisure skippers, coastal dwellers, beach chair owners and fans of The Ocean Race. - Material: highly polished stainless steel- Weight: 430 g- Length: 18 cm- Width: 7 cm- Height: 23 cm
