from **129,31 EUR**

Item no.: 386850
shipping weight: 3.80 kg
Manufacturer: Philippi Design

Product Description

CHARLY BRINGS LIFE TO THE BUDEInitially designed as a smart-cool, cuddly stool, CHARLY proves to be a true all-rounder in everyday use. It can be used as an unconventional seat, a practical side table, a mobile footstool or simply as a sculpture - a tongue-in-cheek reminiscence of the art of stacking men made of piled-up stones. That's why CHARLY feels just as at home in the children's room as it does in a modern living area. Powder-coated steel, with a weight that is nevertheless easy on the back (we promise!), which can be easily rearranged depending on requirements.- Material: powder-coated steel- Weight: 6.80 kg- Length: 36 cm- Width: 36 cm- Height: 36 cm
