Product Description

ESCALERA light objectTHE PEACE ITSELF: Apart from the name ESCALERA, there is little to nothing escalating about this lantern - on the contrary, it radiates such a wonderfully harmonious calm that you have to be careful not to suddenly drift off into a cosy slumberSTEP BY STEP: The staircase-shaped arrangement of the individual holders puts the tea lights in a state of suspension, which their viewers may soon reach if they look at them for a while. Well, at least that's how it was intendedGIFT ME: A little deceleration is good for everyone from time to time, which is why ESCALERA is such a great gift without any escalationProduct details- Art.No.: 239012 - Material: powder-coated metal - EAN: 4037846175971 Weight & dimensions- Weight: 980 g - Dimensions: Length: 15 cm Width: 15 cm Height: 30 cm
