Product Description

ALWAYS BEAUTIFULLY FOLLOW THE ROW! Attenzione, here comes QUINTETT! And as it should be, nice and neat in rank and file. But what initially sounds like overly strict order has rarely looked so outrageously sexy. The zigzagging chandelier made of stainless steel with a dark titanium coating has exclusively harmonious ambitions. The innovatively thought-out design, which can be easily turned to accommodate both stick and block candles, is a welcome guest at any festive table or simply an eye-catcher on the windowsill. - Material: black chrome-plated stainless steel- Weight: 1.00 kg- Length: 48 cm- Width: 14 cm- Height: 8 cm
