

Item no.: 395956

189012 - Fromage cheese board with 3 knives

from **44,25 EUR**

Item no.: 395956
shipping weight: 1.00 kg
Manufacturer: Philippi Design

Product Description

OPTICALLY TASTEFUL All types of cheese and other delicacies presented professionally: The FROMAGE reversible board has a milled groove on the top, in which the three serving tools for hard and soft cheeses are clearly organised and within easy reach. The blackened rubberwood from sustainable cultivation contrasts beautifully with the delicacies on display. The grain and colour intensity may vary slightly, making each piece unique. When not in use, the board is turned over and the tools are stored unobtrusively and space-savily in the recesses provided. Much too good to let the ensemble disappear into the cupboard afterwards. - Material: black galvanised stainless steel, reversible board- Weight: 1.50 kg- Length: 28 cm- Width: 28 cm- Height: 2 cm
