Product Description

Wall hooksProduct descriptionOur semi-circular, handmade wall hooks are practical and versatile. The metal hook in the centre has an antique finish. Thanks to its curved shape, jackets, coats, bags and towels are held securely on this attractive wall storage unit. The subtle shine of the ceramic harmonises perfectly with the silver hook and is a very decorative and classic wall design even without a coat rack.Dimensions: Ø 6 x 9 cmMaterial: ceramic, metalH086SustainabilityFair & socialResource-savingPropertiesHand-painted
