Product Description

This soap dish is perfect for those who are passionate about natural products and sustainable materials. The practical drainage holes in the dish ensure that your soap dries quickly. In addition to its aesthetic beauty, neem wood also offers practical benefits. It is naturally antibacterial, which means that the bowl is hygienic and easy to clean. The wood is also resistant to scratches and stains. To ensure that the bowl remains in good condition for a long time, we recommend cleaning it occasionally under running water and rubbing it with olive oil after drying. This will give the bowl a beautiful patina and keep it in perfect condition for longer. - Dimensions: 14 x 8.1 x 2.1 cm - Material: Neem wood
