Product Description

Product description Create culinary masterpieces with this attractive spatula made from natural neem wood. It is the perfect companion for your everyday use. The handcrafted utensil with its smooth edges is made from robust, durable natural material. In addition to its aesthetic beauty, neem wood also offers practical benefits. It is naturally antibacterial, which makes it easy to clean. In addition, the wood is resistant to scratches and stains, making it an excellent choice for kitchen utensils. To ensure that your spatula stays in optimal condition for a long time, we recommend that you clean it occasionally under running water and treat it with olive oil after drying. This way, the wood will develop a beautiful patina and retain its impeccable quality.
