Product Description

Is your bathroom your own little personal wellness temple? Then it should exude a feel-good atmosphere down to the smallest detail. So that you can spend wonderful hours of relaxation here, nothing should disturb your peace. Our Tranquillo soap dish is the perfect accessory for your bathroom. The subtle, natural colours are not too bright, but still add a friendly accent to your washbasin. Not least thanks to the individually hand-applied floral pattern! This special decoration makes each of our soap dishes truly unique.
