Product Description

Certus K-STAR M dark grey

With its high wearing comfort and fit, the CERTUS is the ideal helmet for every occasion. In every detail, this all-rounder convinces with practical details and high quality workmanship, Made in Germany. The patented K-STAR® technology ensures a uniquely high 360° visibility. Every ray of light that hits the helmet is reflected directly back to the light source by the millions of tiny glass beads in the helmet's upper shell. The entire helmet shines brightly in the spotlight with impressive intensity. The size adjustment is also completely uncomplicated with a turn of the K-FIT system, which also features a switchable LED rear light.
