Product Description

Animal Kingdom Wooden Coat Hook Owl

The Animal Kingdom series consists of wooden coat hooks in retro style.

The hanging devices in the shape of stylised animals embellish every home and stimulate the imagination of children. They are made using classic carpentry techniques and feature a simple design, soft organic shapes and the warmth of the wood. If you like, you can paint them or let the children design them in their own creative way. Hangers in the shape of a cat, an owl or an elephant are a playful yet subtle decoration for the children's room, the hallway or any other wall.

- Size: 24 cm x 13 cm
- Material: wood
- Figure: Owl
