### Product Description

#### Christmas tree SPIRA LARGE

This piece is the favourite of our customers. Timelessly simple yet refined design with plenty of space for the gifts underneath. Natural feel and smell of wood as well as countless decoration possibilities create a festive Christmas feeling in your home. Spira is quick to set up and requires no tools. Simply assemble the stand, take the spiral with the support board and place it over the pole. Proceed carefully, you can pass it on to your grandchildren.

The Spira Christmas tree is made of laser-cut plywood and a wooden stand. With its inventive packaging, the entire tree can be assembled and disassembled in a minute and packed in a 5 cm high cardboard box.

Spira is a product made with love under the Alps. It is handmade by skilled craftsmen. We only make what inspires us and what we are really enthusiastic about. We focus on every detail and have made it our mission to develop technical perfection. Nothing is left to chance.
