Product Description

A set of New Year's decorations made of yellow and blue felt will provide the perfect festive atmosphere. With them, you can decorate the Christmas tree Spira or let your imagination run wild and decorate whatever you want. Felting is one of the oldest techniques for obtaining fabrics, more than 8000 years old. The decorations you are looking at are made using a modern felting process and are soft and pleasant to the touch, and the complementary colors, blue and yellow, provide an open and timeless touch to any place. Felt decoration in space themed shapes for your Spira tree. The ornaments are available in three different sizes. The set also includes strings for hanging the decorations.
