Product Description

Pandas aren't busy animals, they just eat and sleep all day! But still... cute. Pandas daily activities consist of sleeping and eating - they can eat up to 38kgs (84 lb) of bamboo in one day! In fact, they have five toes and a thumb dedicated for grabbing bamboos! Good for nature AND for you! EUGY encourage creativity as well as being environmentally friendly. So go on...bring home your wild! Our products conform 100% to international safety standards (EN71-1,2,3 and CPSIA). A EUGY pack contains 7 flat cards with individually numbered pieces, all ready for you to assemble. *Please note that the product is subject to updates without prior notice. The actual product may slightly vary from images. (*below images are sample instruction) Important Product Update Notice: We discovered an error in our Panda 013 model's box instructions, identified last year and now rectified. While most units have been corrected, some retailers may still have old versions with incorrect instructions. Our sincere apologies for any inconvenience caused. To ensure you have the correct instructions, please download them from our website. We value your satisfaction and are committed to providing accurate information. If you encounter any issues or need assistance, please contact support@eugy.com. Thank you for your understanding and continued support. How to assemble 1. Push out each piece from the perforated card 2. Apply glue to each piece 3. Assemble in numerical order
