Product Description

There are various depictions of this fiery beast, sometimes as an evil creature, sometimes as a heroic ally! Dragons are often seen with green, scaly skin, wings and red eyes. Another popular legend says that a dragon's tooth brings good luck! Good for nature AND for you! EUGY not only encourages creativity, but is also environmentally friendly. So go ahead... bring your wilderness home! We have won a Red Dot Award! The Red Dot is the award for high design quality. Only products that are characterised by outstanding design are awarded the coveted seal of quality by the international jury. Our core values are goodwill towards nature and life, refined quality and beautiful design. We are delighted that our beautiful design has now been recognised by a prestigious international design award, the Red Dot. Our products comply 100% with international safety standards (EN71-1,2,3 and CPSIA). An EUGY pack contains 7 flat cards with individually numbered parts that you can assemble yourself.
