### Product Description

The right lighting for a Christmas tree can make the difference between beautiful and magical. Make it easier for yourself with customised LED lights from Spira and enjoy the perfect Christmas lighting. SPIRA LED LIGHTS- LED Christmas lights made of wire in warm white colour with EU plug.- Available in 4 different sizes to fit all Spira Christmas trees.- Easy to assemble with multi-strand design.- Even glow for a natural, cosy and calm atmosphere. Light is the magic of the holidays. Festively decorated squares, candlelight and magic lights on the Christmas tree create a feeling of warmth on the long December evenings. To make your Spira Christmas tree shine perfectly, choose LED lights that we have developed especially for this purpose. The first electrically lit Christmas tree was created for Edward H. Johnson, an employee of inventor Thomas Edison. He had light bulbs specially made for the Christmas tree. He proudly presented the lighting on 22 December 1882. The tree was decorated with 80 red, white and blue walnut-sized light bulbs. Lights LARGE- 8 filaments with 15 LEDs- Filament length: 1.5 m- Distance between LEDs: 10 cm- Number of LEDs: 120
