Hear No Evil is a 3D cardboard puzzle by Cartonic from the symbolic Three Wise Monkeys collection in a modern interpretation. Each of the three monkeys has a different gesture: one covers its eyes, the other its mouth and the third its ears. This is the "Hear no evil" puzzle, which tells you not to listen to what is wrong, offensive and unhelpful to you. Collect the entire collection of puzzles with your family or friends, take inspiration from Japanese wisdom and make your space unique. Cartonic - Turn cardboard into real ART! CARTONIC is an easy and fun way to create a three-dimensional model of a favourite object or a well-known personality to escape from everyday life, spend time alone or with friends and bring creativity into your life. The set contains cardboard discs made of environmentally friendly material, a wooden base, dowels for attaching the sculpture and instructions. You can leave the finished model as it is or let your imagination run wild and add bright colours, glitter and anything else you can think of.
