Product Description

M.W. Reutter AGA kitchen cooker, green For over 60 years, Reutter has been producing its large porcelain collection itself. Their porcelain miniatures are the only ones in Germany. The attention belongs entirely to the detail. During production, the porcelain articles are handled, cast, glazed, painted and fired for the third time up to 17 times until they radiate their typical Reutter flair. This craftsmanship has brought them friends all over the world.
