## Product Description

### Sitting Bathtub, white, miniature

This white bathtub, in 1:12 scale, enriches every dollhouse. The basic color is white, provided with a fine gold border.

For over 60 years, Reutter has been producing his large porcelain collection itself. Its porcelain miniatures are the only ones in Germany.

During the process of manufacturing, the porcelain items pass through the hands of up to 17 skilled craftsmen: after casting, they are glazed, painted and then fired as many as three times to give them their characteristic Reutter look. It is this tradition of craftsmanship which won us friends all over the world.

Reutter is constantly working on rounding off and completing his collection of miniatures. They always succeed in inspiring collectors from all over the world.
