Product Description

Decorative wall plates with different fairies of the Flower Fairies. After original drawings by Cicely Mary Barker.

Let us take you into the wonderful world of miniatures. Suitable for every occasion, we have put together a variety of small compositions for you.

The filigree workmanship and the love of detail give our miniatures their very special Reutter flair. All porcelain pieces are hand-painted with 24-carat gold and fired at 800°C. Our small works of art inspire people all over the world and often awaken a previously undiscovered passion for collecting. All Reutter miniatures are handcrafted with dedication and care.

The little creations are the perfect addition to your doll's house or miniature landscape. What is particularly practical is that they can be easily detached from the packaging. There are no limits to your imagination.

The dimensions refer to the miniature showcase.

Our miniature articles are not suitable for children under 14 years.
