Product Description

Bellwood stackable storage bins effortlessly organise any room! These practical bins make it easy to organise any room quickly and conveniently. Made from recycled plastic and sustainable wood, the stackable bins are built to last. They also come with carrying handles, making them easy to transport, no matter how full they are! The storage containers are available in two sizes - the larger container is ideal for corn flakes packets; the smaller container is perfect for storing snacks, condiments, tinned food and anything else you want to store. Even better, you can remove the dividers to customise the containers to suit your space requirements. Combine this organiser with other items from our Bellwood larder unit collection for a uniform look. Dimensions of the large container: 35 cm W x 26 cm L x 13 cm H. Dimensions of the medium container: 27 cm W x 17 cm L x 12 cm H. ?? Made from 80% recycled plastic, wood comes from sustainable timber cultivation. Wood is a unique natural material with variations in tone, surface and grain. The product may differ from the picture. ? For optimum care: wipe with a clean, damp cloth.- Stackable and space-saving containers:Stack several Bellwood containers on top of each other to create a space-saving storage solution for your larder unit, kitchen cupboard, work surface and more; dimensions of the large container- Made from recycled plastic and sustainable wood:The entire Bellwood larder unit collection is made from recycled plastic and sustainable wood- Instantly organises your larder unit: Bellwood storage containers effortlessly create order in any room - from the bathroom to the pantry; removable dividers are included- Part Of The Bellwood Storage Cabinet Collection: Part of Umbra's Bellwood Storage Cabinet Collection, which includes a spice rack, Lazy Susan turntable, stackable containers and a snack organiser- Original Design & Satisfaction Guaranteed: Our team of international designers bring thought, creativity and original design to everyday objects.
