Product Description

Bellwood picture frame Bellwood picture frame conjures up natural charm in any living space. This versatile, double-sided frame is made from sustainable beech wood, making it a modern and environmentally friendly choice. Bellwood's unique design allows it to be displayed in either portrait or landscape format. Its unique design also allows you to rotate the picture to change the look of the frame. Bellwood picture frames are available in two sizes: 10x15/13x18 and 20x25 cm. Wood is a unique natural material with variations in tone, texture and grain. The product may differ from our pictures. For best care: wipe with a clean, damp cloth - Made from sustainable wood: The Bellwood frame is made from natural beech or walnut ash wood from renewable sources - 360 degree rotatable: The table picture frame, inspired by our Bellwood collection, can be rotated 360 degrees and gives your typical picture frame a unique touch - For landscape or portrait format pictures: The Bellwood tabletop frame can be placed vertically or horizontally - Double-sided frame: This double-sided frame allows you to display two pictures at the same time - Original design & satisfaction: Our team of international designers bring thought, creativity and original design to everyday objects. Specification - Material: 40% POPLAR, 25% FAGUS SYLVATICA, 30% GLASS, 5% STEEL - Dimensions (L x W x H) cm: 27 x 6 x 32, for photos 20 x 25 - Colour: black - Designed by: MATT CARR
