Product Description

Umbra Brim waste bin 50l with lidWith its contoured lines and attractive satin finish, the Brim waste bin offers an unexpected level of style that complements your kitchen décor. Brim features a stainless steel pedal that triggers the innovative soft-close lid system and a retaining ring that securely holds and conceals the bin liner. The wide lid rim makes it easy to remove the bin liner, while the polypropylene construction makes it durable and robust - ideal for domestic or commercial use. Measuring 43 x 65 x 33 cm, Brim has a 50 litre capacity that supports most bin liner types, including drawstring bags. U.S. Patent No. D673,750FUNCTIONALAND EASY TO OPERATE: The stainless steel foot pedal makes the lid easy and smooth to operate SUITABLE FOR PRIVATE AND COMMERCIAL USE:Brim is stylish enough for your kitchen, but robust enough for commercial use COVERED BAG AND LARGE CAPACITY:The Brim kitchen waste bin offers a large capacity of 50 litres and a unique inner clamping ring that prevents your bin liner from slipping. ROBUST AND EASY TO CLEAN:Brim bin is easy to clean thanks to its polypropylene construction and satin finish - simply wipe clean with a damp cloth when needed Specification- Colour: Black / Nickel- Main material: Polypropylene- Component material: 100% POLYPROPYLENE- Dimensions EA (L x W x H) cm: 64 x 43 x 33- Packaging dimensions (L x W x H) cm: 64 x 43 x 33- Product weight (kg): 2.59
