Product Description

Umbra Venti 62L waste bin with swing lidStyle meets functionality in this large, user-friendly waste bin. With sleek brushed metal accents, a straightforward swing lid and an integrated neck ring, Venti keeps your waste out of sight. The Venti bin is robust, sturdy and made from durable black polypropylene that can be quickly wiped clean with a damp cloth. The Venti waste bin is 89 cm high, has a diameter of 37 cm and a capacity of 62 litres. It works with bin liners with a capacity of 75 to 90 litres, including drawstring bin liners. Venti is large enough so that the bin liner does not need to be constantly changed, but compact enough to fit in almost any room in your home.SLIGHT, CLEAN DESIGN:Venti's swing lid keeps the rubbish out of sight, while the neck ring holds and conceals the bin liner so that it is not visible from the outside.DURABLE AND EASY TO CLEAN:Venti is made of durable polypropylene, which is strong and easy to clean: simply wipe clean with a damp clothLARGE CAPACITY WITH 62 L:Venti can be used with both 75 L and 90 L bin liners, including drawstring bagsSUITABLE FOR PRIVATE OR COMMERCIAL USE:With a versatile and modern design, Venti is robust enough for both indoor and outdoor commercial or residential use.ORIGINAL DESIGN & SATISFACTION GUARANTEED:Our team of international designers bring thought, creativity and original design to everyday objects. Umbra products are made from high quality materials. Choose the original from Umbra
