### Product Description

Umbra Sinkin metal dish drainer with removable cutlery basket for sink or worktopThe Sinkin dish drainer from Umbra can be conveniently placed in the sink to allow cutlery and crockery to dry in a space-saving manner. Sinkin is made of durable metal and plastic and has a removable cutlery basket. This can be flexibly attached to the Sinkin draining rack. Its rubber feet guarantee a secure hold and prevent it from scratching the sink and worktop. Sinkin can be used both in the sink and on the worktop to dry and store your crockery and cutlery. With its simple and handy design, Sinkin measures 36 x 28 x 14 cm and therefore fits in all standard sinks. This draining rack is made with a more environmentally friendly coating. It produces 85% less water and solid waste than conventional galvanised coatings.DRAINING DESIGN:Most draining racks are far too large and bulky, and not particularly attractive to look at; the Sinkin draining rack is characterised by its simple design, which does not stand out even when filled with crockeryREMOVABLE CUTLERY BASKET: The sturdy plastic cutlery basket is removable and can be placed elsewhere as required; the cutlery basket has practical drainage holes that help cutlery and kitchen utensils to dry quicklyRUBBER FEET:Sinkin's rubber feet guarantee firm footing and prevent scratching, so it is compatible with all sink materials - stainless steel, granite, copper, quartz, cast iron, natural stone etc.ROBUST AND STYLISH:Created by designer Helen T. Miller for Umbra, the Sinkin dish rack with its simple and handy design measures 35.5 x 28 x 13.5 cm and therefore fits in all standard sinksORIGINAL DESIGN & SATISFACTION GUARANTEED:Our team of international designers brings thought, creativity and original design to everyday objects. Umbra products are made from high quality materials. Choose the original from Umbra.
